

Week ending 11th September 2009.

Welcome back to everyone! We have had a busy time with meetings for new parents, some Little Harts children transferring, and now home visits for this term's new children. You will have seen the new bathrooms for the children, and next week we will be able to use Yellow Room again. It has had a conservatory style extension and all new windows. The children who use it will be spoilt!

In Blue Room children have been sticking and painting. They love to use small boxes, for example toothpaste boxes and small food boxes. **Please save us small boxes for sticking!**

Back to making train tracks.

On Wednesday afternoon a small group went on the bus to an apple orchard and picked cooking apples (and played games!). Next week we will cook apple crumble with the apples.

On Thursday next week "Owl Time" are visiting. They show several owls to the children, let them hold them and take a photo that you can buy if you wish.

Congratulations to Mrs Hamid who works at breakfast and lunch time - a baby girl!
