Dear Parents,

We would all like to thank you for taking so much trouble to dress your children so well for Miss Hawkes' Wedding Day on Wednesday. We had a lovely day, and I am sure it is one your children will remember for years to come. There are photos on the boards in the corridor, and some will be on this week's What Have We Done This Week page on the website.

As you know Ofsted were here two weeks ago and their report is published today. The last one in 2006 was an outstanding report, and I am sure you will agree that this one is even better. The inspectors both had a very good understanding of early years' education and care and were here long enough to be very thorough in their inspection. They spent a long time in the Nursery, Family Room, Little Harts and Wraparound Care, and also visited breakfast and tea clubs. The report is a true reflection of the whole complex and we are thrilled with it.

Thank you for the comments on the Ofsted parents' forms – we were told they were very positive and complimentary, but we didn't see any of them! They are confidential to the inspection team.

There is one error on this report – on page 11 "How well are learners cared for, guided and supported?" should not be there. It has been removed since we printed the copies for you.

We have to send every parent a copy of the report but it is also available on Ofsted's website. If you don't want your paper copy, please return it to us to save us copying more next term.

We are open again on Tuesday 21<sup>st</sup> April, Monday 20<sup>th</sup> for Little Harts. We wish all the children leaving us a happy start in their new schools and hope you have a good Easter holiday.

Yours sincerely,

Anthea Saunders
