04 February 2009

Dear Parents,

We are pleased to see children back after the last 2 days. I would like to thank Kathy Clark, our caretaker, and her team who spent a long time yesterday clearing the site to make it safe for us all to return today. I hope we are not too badly affected by the snow forecast later this week but if you are not sure please tune into Hearts FM or check their website. I always inform them of school closure before 6.15am.

Last week we almost finished our new website and you can now also check that for information. I will attempt to put a message on the welcome page before 6.30am if we are closed.

The website is www.harthillnursery.co.uk

We have a bit to do to the section about the Family Room, Care Clubs and Little Harts but the first 2 main sections are completed. The Welcome page has general information including staff, governors, SEN, termly events and a page about "What we have done this week". I will try to add a weekly page on a Friday with photographs and information about events across the Centre and School. Last week's includes information about the Chinese Parade on Friday which was the culmination of all the children's work about Chinese New Year, and also the "staff pantomime" which is the start of work about The Three Little Pigs for the next few weeks. The pantomime was, of course, Oscar standard, and the children absolutely loved it!

There are some photos of your children on the website. I have been very careful only to include children for whom we have permission but if you have any problems with any of the photos do come and see me.

We would welcome your comments about the website – please let me know if there is something you feel we have missed.

Yours sincerely,

Anthea Saunders
