Dear Parents,

We have done some work recently about working in partnership with all the people who use the site. The document we have written is attached to this letter and it will be on our website. I hope you feel that it is a fair reflection of the way we work with you and all your family.

Every Friday I write a short page (with lots of photos) explaining some of the things we have done this week. This goes on the website www.harthillnursery.co.uk on the home section, look for the heading on the left for "What we have done this week". If you have looked at the website and feel something has been missed off please tell me.

We have started to plan the Summer Fete which will be in the garden on Saturday 6th June from 11.00am – 2.00pm. Although it is early days we want you to keep the date free and start to think about things to bring in after Easter for the fete. We want to enquire about hiring a roundabout rather than a bouncy castle for a change – does anyone know where we might get one from?

Please start to save things for the stalls – we will need bric-a-brac, children's toys and books, raffle prizes, food and cakes and plenty of helpers! We might also try an Auction of Talents this year. If you can offer to do something, for example babysit, 2 hours ironing, bake a special cake, give a short lesson in your language, cook a special dish, cut a child's hair – anything, then let us know and we will auction it at the fete.

We will be asking for helpers after Easter, and for donations to be brought in then. Please help us to make the day successful as all profits go towards the garden development.

Just one more plea for all coats to be named, several children have the same ones and it gets very confusing.

The children look wonderful dressed up today. Later we will have our Goldilocks and the 3 Bears performance, and stories are being read in the library.

Yours sincerely,
