Head Teacher: Mrs. A. Saunders

Dear Parents,

Miss Gemma Barton who works in Little Harts is leaving us on Wednesday this week to take a new appointment. Gemma started working here in the Nursery 2 years ago and helped to open Little Harts in 2007. We would like to thank Gemma for all she has done for us and we wish her luck for the future.

Nursery staff have asked if you could please save cardboard boxes and tubes, wrapping paper, birthday cards, bottle tops etc – anything that children can use to create models and constructions. We cannot use polystyrene packaging. We also need any old bits of technology that you might have, for example keyboards, phones, radios, etc. Children spent the last 2 weeks dismantling several of these and had a wonderful time exploring the insides of the different machines. They are learning to use tools doing this.

We are also really short of dressing up shoes, particularly men's and boy's. The boys keep asking for men's shoes and we haven't got any! If you have some old ones please let us have them.

A reminder about the holiday club in the summer. We are open from Wednesday 22nd July to Friday 14th August, and children attending the holiday club need a packed lunch. Booking forms are available from the office now. We re-open after the holidays on Thursday 3rd September.

Thank you.

Yours sincerely,

Anthea Saunders
Headteacher.
