Dear Parents,

Polling Day 4th June 2009.

We have just been advised that the Nursery is being used for polling on Thursday 4th June. Because of this we are unable to have any children in Red, Blue or Green classes in school that day. I am sorry not to have been able to give you any more notice.

We realise that this presents a problem for working parents. Because we can securely lock the doors between the Nursery and Yellow Room and Little Harts' Room, we are able to keep that end of the building open. Therefore Little Harts will remain open as usual, and we will offer 24 care places in Yellow Room all day for working parents. To secure a booking in care on 4th June please obtain and return a booking form as soon as possible to Louise in the office.

Our allotment.

Our allotment is behind the Nursery garden and staff are working on a small part of it. We are keen to see the land used to its best advantage and are able to offer families a part of the allotment for their own use. If you would like a section of the land please see Lianne or Kristina in the Family Room.

Staffing.

Several parents have asked if they can contribute to a present for Claire Scarborough and Louise Leech. Claire has just started her maternity leave and Louise moves away in June. If you would like to contribute to a gift for them, again please see Louise Marsden in the office.

Thank you.

Yours sincerely,

Anthea Saunders

Headteacher.
