Dear Parents,

Many of you will be aware of the very difficult situations that arise in Haddon Road with regard to parking. I am asking that all parents park as far away from Haddon Road as possible and walk the rest of the way. In many instances this will be quicker than struggling to park in Haddon Road, and it will certainly be safer for you and your children.

We are having many instances of parents parking on the zig zags and reversing into the driveway to turn around. This puts your very small children at great risk. It is also illegal and parents doing this will be fined when the Community Support Officers do their checks.

I frequently ask for co-operation with parking and the situation never improves. PLEASE have regard for the safety of all who use the complex here before we have a serious accident.

Yours sincerely,

Anthea Saunders
Headteacher.
