

**June 2010:** Ian from Luton Music Service brought his steel drum and showed the children how to play it. They listened and joined in with their own instruments, then had a dance. It was great fun, and such lovely music!

Don't worry  
About a thing...  
Because every little  
thing's  
Going to be alright.....

We listened to reggae, nursery rhymes, Samba and "Soul Limbo" - the Test Match Special music.

**Thanks to Ian and the Music Service.**
