

**Week Ending 12<sup>th</sup> June 2009:**

This week the children "grew" caterpillars! We bought tiny caterpillars as a kit with food and pots to keep them in. The children will watch them grow and make their cocoons, eventually hatching as butterflies. The butterflies are then released into the garden.

So small to start.

A counting / number game based on the story of the Hungry Caterpillar.

Drawing caterpillar pictures - carefully observed.

Staff news: Ms Scarborough gave birth to Jack Harry on Wednesday. We all send our best wishes and congratulations!
