

Week Ending 27th February 2009.

What a busy week! All children joined in with pancake making and tasting on Tuesday, then on Wednesday and Thursday Zoo lab visited with lots of animals and unusual insects for the children to look at, touch, hold and learn about.

The frog "blew bubbles" and made noises when touched.

Children just looked at and talked about the tarantula because it bites!

children.

The stick insect waved at all the

How brave!

Free playing Zoolab - they found a box, play insects and acted out what they had seen.

We also
cooked tea
and made
drinks in the
home corner.

Don't forget next week- World Book Day on Thursday - look out for the next staff pantomime!
