

Week Ending 6th March 2009:

So much has happened this week there are 2 pages for you to see.

The weather has been lovely all week and the children have made the most of the garden, both in

Nursery, Little Harts and Toddler Group. In the sand pit the children learnt to wait for the buckets and spades when others had them, so lots of sharing went on, and digging! Little Harts had all their wheeled toys out and were running and climbing in their garden. We

filled the feeders and looked out for birds and squirrels from the bird hide. Balance beams, the rockers and tunnels were well used in the ball

park, as well as football.

To follow up zoolab children have been cooking cheese caterpillars or cheesy snakes. Insects (plastic this week!) have been out on trays of leaves and bark for children to find and talk about.

Thursday 5th March was **World Book Day**. Children were able to dress up, stories were read in the library and nursery staff performed another story, this time it was Goldilocks and the 3 Bears, with Mrs. Ade in the starring role! Children in Toddler Group came to watch the morning performance

Little Harts staff performed Tyson the Terrible for their children using props made by the children in February half term holiday club.

Stories in the library. All dressed up!

Little Harts performing Tyson the Terrible.

This chair was too hard! The 3 Bears.

Little Harts watching Tyson the Terrible.

Next week all the resources for the 2 stories will be out for the children to use in their role play. This is part of our "Every Child a Talker" work - we want to build children's language and storytelling skills through their play.
