

Week ending 13th March 2009.

In Nursery the role play area has been the 3 Bear's Cottage and children have followed up the story well, playing all the parts and making lots of porridge! This generated lots of spoken language which is what we were aiming for.

The light table in Green Room has had space resources to explore.

The blocks made lots of towers,
all by himself.

We dressed in bright colours for
Comic Relief and Little Harts' staff
painted their faces.

We start our wedding topic soon -
please start to send in photos of
family weddings or your children at a
wedding.
