

Week ending 22nd May 2009.

All the Nursery and Little Harts children are being taken on visits to Wigmore Library at the moment - that is 20 separate visits. They go on the bus and that is very exciting!

At the library they have several stories and are told all about how libraries work.

The librarians show them that they can borrow CD's, DVD's and different types of books.

Children have a few games and drawings before once again coming back on the bus.

Checking books in and out is fun and they all have a turn.

Our thanks to all the library staff at Wigmore.
