

Week ending 27th March 2009

As you know we had our Ofsted inspection last week, 2 inspectors for 2 days. They were able to observe many areas of our work, including the Nursery, Little Harts, Toddlers and Baby Peep. They observed Breakfast and Tea Clubs and talked to many parents. We hope that their final report will be available for parents before the Easter holiday, if not please check the Ofsted website to read a copy soon after Easter.

This week Little Harts children went through the Woodland Walk to the allotment and spent time digging and finding all sorts of creatures. They were able to touch and feel them and talked about them at length. We hope to use the allotment fully next term.

Free painting and hand prints in wraparound care.

Don't forget that next Wednesday is our Wedding Day. We hope all children will come dressed up in their best clothes, and if possible, their national dress. There will be no paint or glue that day to spoil their clothes!
