

**Week ending Friday 6<sup>th</sup> February 2009**

This week we were only open for one day, Wednesday 4<sup>th</sup> February, but we had lots of fun in the garden. It was full of snow and the children from Little Harts and Nursery all went out with buckets and spades and sledges.

These children found The Grinch's footprints in the snow and followed them.

One of Little Harts thought the snow was so tasty.

Everyone was busy!
