

## What did we do this week? Week ending 13<sup>th</sup> November 2009.

Mark making in sparkly salt with a variety of tools.  
Between 30 and 50 months children need to

- ✚ Use one handed tools and equipment.
  - ✚ Draw lines and circles using gross motor movements.
- (Early Years Foundation

Stage - EYFS)

The dough table in Red Room has had a maths focus this week. Children have had sparkly dough, cutters and rolling pins using mats with numbers 1-5. The aim of this is to observe children's ability and support their learning against these statements in the EYFS:

- ✚ Use some number language such as "more than" and "a lot".
- ✚ Match number and quantity correctly.
- ✚ Count up to 3 / 4 objects saying one number name for each item.

We have taken advantage of the autumn leaves to be creative outside - making leaf hats!

In Green Room Mrs Graham did dance and movement games causing lots of laughter and excitement!
