

Week ending 9th July 2010.

Some general photos this week. Thank you to all the parents who fed back on the annual questionnaire that these pages are read every week and provide a good source of information for you and grandparents in many different countries. We are glad you enjoy them!

In Blue Class this week children have had the opportunity to think carefully about themselves, and have looked in mirrors at their faces and hair. With paint and collage materials we have had some lovely representations and self portraits of the children!

Paintings

and collage.
"My face - 2 eyes and 5 noses!"

Snack time in Little Harts.

Light, reflections and animals in Red Class.

Size, shape and colours in Green Room.
