

Week ending 11th June 2010.

This has been Carnival Week at Hart Hill with children in all the provision learning about Carnival, making instruments, masks and dressing up. We have had a steel drum and other instruments out and a

visitor on Friday afternoon playing a steel drum for the children.

He is coming again on Monday 14th as he was unable to come this Monday.

So not only have the children learnt a lot this week they have all had a very good time!

As it was a Thursday Toddler Group families joined in too.

Thanks to Esme Robinson for lovely photos!
