

This week we have been very fortunate to have had 3 trips to Standalone Farm, Letchworth in the dry! All the children who are leaving (about 120 children) have had the opportunity to have the leaver's trip and a lovely day out. There is lots to do at Standalone in addition to the animals.

Don't forget the picnic on Monday from 11.30 – 12.30. Bring something to sit on and something to eat for you and your family – but please remember **NO GLASS OF ANY DESCRIPTION!** Also, no peanut butter or nuts as we have children with severe allergies. The picnic will be on Tuesday if it is wet on Monday.
