

Dear Parents and Carers,

I would like to thank each and every parent and family for their support and patience with the new entrance. The children are clearly enjoying a chance to catch up with their friends and playing safely in the playground before coming into school. I do understand that parking is an issue, due to the two roads that we are on being dead ends, however it does appear to be getting better each day. I am in conversation with St Anne's church and The Adventure Playground to discuss the possibility of a park and stride system, especially for 9am, when the road appears to be the busiest.

The chickens continue to be an exciting discussion point with the children and they will be soon moving into their new home at the top of the garden. We are looking for parents who would be able to work on a rota to come into the playground at the weekends to let them out of their coop in the morning and put them back in the evening. If you are interested in this, please speak to Miss Wainwright. Thank you to Mrs McGeough who has kindly offered to look after them during the summer holidays.
